Message from Iyia's owner Leata Pratt Cullum....

Please help me! My baby Iyia, an Australian Sheppard /Border Collie mix dog has been missing sence Saturday night. Was last seen past Walmart in Navarre, by Eglin Credit Union heading toward Navarre. She is fluffy white with black ears and white/light blue eyes. She is a bit skidish as she is a rescue. She has a pink collar with my information on it. She loves the water. PLEASE if you see her contact me, Leata Pratt Cullum at850-382-3880 or 518-378-7661, if you try to approach her she may run but may be persuaided by a treat. She does not bite and is friendly once you are able to pet her and she thinks she's safe.
