Police State

Posted by jend - 20 Feb 2012 12:56

This is a little slow in the beginning, but very informative. I highly recommend watching it to help you know and understand your rights, so that you can exorcise them and protect yourself, which is getting more difficult to do in police state America.

You Are More Likely To Be Killed By A Police Officer Than A "Terroritst"

Police Brutality On The Rise

Police Brutality Cases On Rise Since 9/11

There are literally thousands of articles and videos documenting police brutality and murders on unarmed civilians, widely available on the web for you to discover. I am posting only a few of them here

in the hopes that it will help you survive, should you ever find yourself in a police encounter.
